

MISSION & VISION

Central Ohio Animal Response Team (ART) &
Ohio Regional Animal Response Team (ORART #4)

MISSION AND VISION

Our Mission:

To assist local, regional, and state-level animal stakeholders, organizations, businesses, and individuals by developing and improving animal emergency plans, conducting animal activities and exercises, and helping those in need.

Our Vision:

To be the leading volunteer based animal health emergency and animal disaster safety net within the community.

HelpUsHelpYou

Volunteers make the community a home!

Become a member of the Animal Response Team (ART). Make a difference in your community today! Any person having an interest, background, or licensure in animal care is encouraged to become a volunteer member.

Volunteers have opportunities to increase their knowledge of animals, and improve their skills in working with a single, or many, species of animals.

Those who have specific skills will have opportunities to share their talents with other members as well as the community.

Everyone can choose from a variety of activities, such as being hands on during exercises and events or working from their own home.

Get involved with animal disease surveillance and/or animal disaster response activities.
